

Graduate Student and Postdoctoral Positions **KAUST**

Applications are invited to discover bold, collaborative research initiatives in science, engineering and technology with state-of-the-art facilities at KAUST with us! The Homogeneous Catalysis Laboratory of the KAUST Catalysis Center is seeking applications for graduate student and postdoctoral positions (starting date: 1st Aug. 2012 or discussed). For postdoc, the successful candidate should hold a PhD in Chemistry/Chemical Engineering/or related fields and should have expertise either in:

- 1) Air-sensitive Organometallic chemistry
- 2) DFT Modeling on Metal or Organocatalysis
- 3) Asymmetric Catalysis/Organic Synthesis
- 4) Polymer Synthesis (CO₂ related favored)

Strong communication and writing skills and team-work spirit are essential. Highly self-motivated individuals are encouraged to apply. Interested candidates should send their CVs along with contact info for three references and a statement of interest to Professor Kuo-Wei Huang at

hkw@kaust.edu.sa

All MS and PhD students and Postdoctoral fellows benefit from the KAUST Fellowship that fully supports students for the duration of their studies/stay.

- Full tuition support (for students)
- Annual living allowance/stipend (US\$20,000 MS, \$25-30,000 PhD, \$50,000 Postdoc)
- Housing Provided
- Health insurance
- Relocation support

King Abdullah University of Science and Technology is a merit-based graduate university dedicated to significant high-impact research.
